Winter Generosity

This is the time of year when at-risk youth struggle most to meet all their daily needs, so your donations are especially valued right now. One wonderful example of this arrived just in time for the SHYFT pre-Christmas Party in December, thanks to the students of Barrington Regional High School. Vice Principal, Stephen Cullen, delivered bags of high quality clothing donated by the students. It was like Santa came early and put a big smile on many faces.

Our present day-time service still needs ongoing public support to supplement the federal funding. We need dollars for extra expenses for youth to use laundry, shower and kitchen facilities; heat for a warm bedroom for a daytime nap; and for incidental expenses to provide on-going life-skills programmes. Plus, personal items and good clothing for basic living needs are always in demand.

Every gift helps, however small. For more information, please call SHYFT between 8 am and 8 pm, Monday to Friday, at 881-3111.

Toque Promotion

Toques are now on sale, \$ 10 each, at the SHYFT House. This is part of the national programme "Raising the Roof", shining a spotlight on the needs of at-risk and homeless youth.

If you buy two toques, we will give you a watch of your choice, thanks to the generosity of Mike Mercier at Canadian Tire. Plus, we will enter your name into a draw for two tickets to Karla Adolphe's concert. (see below)

Like to sell some toques ? Call SHYFT at 881-3111.

A SHYFT Benefit concert will be held at 3.00 pm Sunday February 17 th at Hayley's Lounge, Rodd Grand Hotel, Yarmouth, with Karla Adolphe, from Alberta, performing. This special event is organised by her friends, Marla and Walter Niekamp, dedicated SHYFT supporters, who moved from Manitoba to Pubnico last spring. A wonderful idea.

Aviva Appreciation

Unfortunately, SHYFT was unsuccessful in its bid for funding from the Aviva Community Fund, for our overnight service. Thank you to all those who voted so faithfully for SHYFT and to those businesses and organizations who supported our efforts. (see previous news-letter).

New Windows Installed

Seven new vinyl windows have been installed at the SHYFT House, with free labour donated by Graham Surette of Graham Construction. We certainly appreciate this generosity which should help to reduce our energy costs through the winter.
