Joel Smith Fisheries Dig Deep

A Sandford-based seafood company, Joel Smith Fisheries, has made a wonderful donation of \$ 1,000 to SHYFT Youth Services, with a challenge for other business to match it. These local donations will help SHYFT to re-open its services to at-risk youth from the Tri-Counties.

Youth Energy Inspiring

“The Students and Parents Against the Closure of SHYFT House” is an enthusiastic and dedicated group of SHYFT supporters who became active following the High School Rally back in March. Since then, they have launched a fund-raising drive dedicated to the re-opening of an overnight service at SHYFT House.

Their latest effort was a Saturday Sale and Social at the Y.A.R.C. featuring a lunch table, bake table, door prizes, a silent auction, a live auction and non-stop live musical entertainment. \$ 2,005 were raised. Well done everyone! Here are a few pictures from a busy day.
